EXPRESS ABANDONMENT

The applicant hereby expressly abandons the above referenced patent application. The application was a second filing of an earlier-filed application that was delayed in receipt by the Patent Office due to the October, 2001 anthrax problems with the US Postal Service. This second application was filed, but subsequently the PTO received and assigned a November, 2001 filing date to the earlier-filed application. Therefore, this later-filed application is unnecessary, and thus should be abandoned.

It is requested that should there be any problems with this matter, please call the undersigned Attorney at (845) 452-5863.

Respectfully submitted,

Stephen B. Ackerman, Reg. No. 37,761
